- Locations may be within 20 miles of Pinckney or Ann Arbor. Further travel is possible if arrangements have been made with the photographer.

Both sessions include standard portrait retouching.

### Process

For your reference, this is how the process of taking photos, selection, proofing, and printing happens:

- You are photographed during your sessions.
- All the photos are uploaded to a gallery accessible on the Internet.
- You will first pick photos that you definitely want eliminated from consideration. The photographer will eliminate those photos from the gallery.
  - **Important:** During these selections, you are judging photos based **only on pose and expression**, not on brightness, colors, contrast, or the crop. All the brightness/color/etc. issues are corrected during the retouching process; these are always a little bit “off” in proofs. Photos are cropped later taking into consideration the photo's composition and the desired print size.
- You will then select about 15 images from the gallery for your proof book. The photographer will do additional retouching on these photos.
- Once the proof book arrives (within a few days), you may order prints of the photos from the book. If you later decide you want prints of a photo that did not appear in the proof book, contact the photographer to make arrangements.
- The photographer completes retouching and printing of your order.

### Tips for Seniors

Keep these things in mind when you're preparing for your portrait sessions:

- It's a good idea to bring sports clothing, your varsity jacket, instruments, or other props.
- Don't wear really crazy patterns, stripes, or other distracting clothing.
- Get plenty of sleep the night before your shoot.
- Don't go tanning, change your hair color, or get a haircut within a week or so before your session.
- Girls: avoid really low cut shirts and exposed bra straps.
- If you have powder in a color that matches your skin, please bring it.
- If you're not sure about something, please ask the photographer in advance of the session!
